

## **POSITION VACANT – Flour Silo Cleaner - MANILDRA NSW**

Our Manildra mill, in central west NSW is the largest flour mill in Australia. This mill grinds wheat to produce a full range of flours, from low-protein biscuit flours and protein-enriched flours through to household and baker's flours and specialty flours tailored to the needs of our customers, both domestically and in many export markets.

A vacancy exists within our Milling team at Manildra NSW for a full-time permanent Bin Cleaner.

### **THE JOB:**

*As a Cleaner, you will be required to perform the following duties:*

- Cleaning of plant, equipment, machinery, buildings, amenities, offices and grounds
- You may be required to work in confined spaces in a harness cleaning inside wheat or flour bins, wheat silos and rail wagons
- You may be required to work at heights
- Operation of plant and equipment as required (after suitable training)

### **THE PERSON:**

*The successful applicant must demonstrate the following.*

#### *Essential:*

- Confined Spaces Ticket
- Working at Heights Ticket
- Forklift licence
- Be very safety conscious due to the high-risk jobs that may be preformed

#### *Desirable:*

- Cleaning within the food industry using a range of cleaning techniques and systems
- Knowledge of WHS and HACCP practices
- Good Manufacturing Practices
- Effective literacy and numeracy skills
- Experience working in a team environment
- Physically fit as the job may be very strenuous
- First aid certificate

### **APPLY:**

- Applications can be emailed to the Human Resources Coordinator at [donna.strahan@manildra.com.au](mailto:donna.strahan@manildra.com.au)
- Applications should include your curriculum vitae and / or a cover letter outlining your suitability for the role.
- Applications close at 4pm on Friday 18 January 2019

For any questions about the position, contact Sheree Johnston 02 6392 1302.
