

POSITION VACANT – PACKERMAN - MANILDRA NSW

Work with major regional employer Manildra Group – a 100% Australian family-owned group of companies, uniquely integrated as a diverse international agribusiness.

Since 1952, Manildra has built a highly skilled workforce across world-class facilities, dedicated to adding value to Australian agricultural industries and communities by innovating unrivalled products for a global market.

Manildra is committed to the social and economic sustainability of rural and regional Australia – where our facilities employ hundreds of staff spanning generations of families – because together, we grow.

Our Manildra mill, in central west NSW is the largest flour mill in Australia. This mill grinds wheats to produce a full range of flours, from low-protein biscuit flours and protein-enriched flours through to household and baker's flours and specialty flours tailored to the needs of our customers, both domestically and in many export markets.

A vacancy exists within our Packing team at Manildra NSW for a full-time permanent position. This is position involves shiftwork on a rotating roster.
