

MANILDRA GROUP
Commitment to Excellence

POSITION VACANT

Rail Operator Manildra Flour Mill

Established in 1952, Manildra Flour Mills, part of the Manildra Group, has grown to become one of the largest milling operations in the world. An exciting and challenging opportunity has become available for the right person. The Manildra Group is a major force in Australia's agricultural and food industries and is the largest user of wheat for industrial purposes in Australia.

The Manildra Flour Mills has a vacancy to join part of the Rail team.

As a key member of the Rail Team you will be required to undertake:

- All necessary tasks associated with working on the rail, up to and including shunting of trains
- locomotive driving
- loading and unloading of trains

Personnel are required to be able to perform all duties performed in the section. You must be able to work shift work on a rotating roster.

Essential:

- Shunting qualifications
- Good problem solving skills
- Ability to work safely
- Good eye for detail
- High level of communication and interpersonal skills.

Rail driver experience would be advantageous.

This position requires manual handling, the applicant must be physically fit.

Applications quoting Job Name should be addressed to: Human Resources Coordinator by email to donna.strahan@manildra.com.au

Applications close: Friday 9 November 2018
