PRODUCT DESCRIPTION

- Formulated from Manildra's unique dried distillers' grains and syrups (DDG-S), with the addition of super-soluble wheat proteins and starches.
- An extremely palatable brown pellet with rich fermented odour.
- Pellet size is 6mm.
- Free of any genetically modified organisms.
- Increased chloride to assist in prevention of urinary calculi (water belly) in rams and wethers.

PROTEIN & ENERGY

- Contains 20% crude protein.
- Metabolizable energy 13MJ/kg. Contains modest levels of sugar, starch and wheat bran oil to balance the available protein without causing acidosis.

PRODUCT FEATURES & UNIQUE BENEFITS

- Extremely palatable to sheep and lambs.
- Assists in promoting better rumen health.
- Increased average daily weight gain.
- Low risk of acidosis.
- Reduced risk of urinary calculi.

FEEDING RECOMMENDATIONS

- Safe to feed all ruminants.
- Feed should be offered daily in clean troughs or other suitable feeding systems.
- Adequate roughage should be available.
- Fresh clean water must always be available.
- It is recommended that independent advice is considered when feeding supplements.

TYPICAL ANALYSIS (DM BASIS)		TYPICAL	
Crude Protein	20%	Calcium	1.4%
Neutral Detergent Fibre	30%	Phosphorus	0.72%
Non-Fibre Carbohydrates	32%	Potassium	1.2%
Starch	15%	Magnesium	0.31%
Fat	6%	Iron	177ppm
Metabolisable Energy	13 MJ/kg	Zinc	41ppm
		Manganese	113ppm
		Molybdenum	0.6ppm
		Chloride	1.9%

STORAGE: DDG-S Wheat Pellets should be stored in a clean and dry environment free of rodent and insect infestations.

IMPORTANT CAUTION

Do not allow dogs, horses or other equines to access feed containing ionophores as ingestion may be fatal.

This product does not contain restricted animal material.
